

**Municipal
Works**
Australia

MWA is a not-for-profit member-based association that supports individuals and organisations in municipal works. MWA fosters excellence in providing municipal works and services by delivering professional development, peer support and networking events. The fields traditionally associated with MWA include:

- Road, footpath and road-related infrastructure construction and maintenance,
- Drainage construction and maintenance,
- Facilities maintenance and management,
- Public place cleaning and municipal waste management services,
- Park and open space maintenance,
- Plant and equipment supply, hire and maintenance.

MWA is not just an association. It's a hub of industry training, development education, and support. We are the most targeted and effective collaborative forum for local government employees in the municipal works sector. Membership in MWA opens doors to a wealth of resources, inspiring opportunities for significant professional growth and a platform to connect with industry leaders and peers.

LOCAL GOVERNMENT CORPORATE MEMBERSHIP BENEFITS

MWA's Online Learning Centre is an on-demand training service available 24 hours a day, seven days a week. It offers state-of-the-art occupational safety, business management, and technical training courses developed explicitly for municipal works staff in Australia.

The benefits include:

1. Mobility: bring new staff up to speed on compulsory OH&S induction and other training at any time or place.
2. Choose who needs training and allocate courses seamlessly via the Online Learning Centre dashboard.
3. Record and track staff training for compliance purposes
4. Earn and record Continuing Professional Development (CPD) points for staff with professional CPD requirements.
5. Our local customer support service will fully support you.

MWA's Local Government Jobs Board allows you to market your vacancies to people looking to change councils or industries nationwide and internationally.

MWA's Emergent Leadership Program is a dynamic professional development program designed for municipal works professionals to grow as industry leaders. Delivered in collaboration with the Ministry of Leadership, Emergent provides participants with the skills to:

- Develop collective leadership within the industry to build its future.
- Provide a practical learning and development opportunity for industry leaders.
- Provide candidates with the tools and frameworks they need to be more impactful and influential leaders.

- Enhance personal and team effectiveness.
- Enhance networking and collaboration opportunities.

Local Government Corporate member councils receive priority access and discounted enrolment fees.

MWA's Industry Mentor Program allows you to access our pool of industry-leading mentors for your in-house mentoring programs or provides access for staff participation in MWA's mentoring program.

Operations Club Membership allows employees to develop their professional skills and networks. Members receive the benefits provided to our general members as well as:

- Access to our Operations Forum networking events, where you can hear presentations from industry experts on career development and governance issues.
- Special privileges at our National Municipal Works and Engineering Conference.
- Information to assist you in developing your career and managing your operational responsibilities.

Local Government Corporate member councils receive complimentary membership for nominated operational staff.

MWA's HR Advice Partner Service provides up-to-date information about government-funded training and development programs for operational staff, including face-to-face consultations with our industry-leading apprenticeship and training service providers.
