

MWA is a not-for-profit member-based association that supports individuals and organisations in municipal works. MWA fosters excellence in providing municipal works and services by delivering professional development, peer support and networking events. The fields traditionally associated with MWA include:

- Road, footpath and road-related infrastructure construction and maintenance,
- Drainage construction and maintenance,
- Facilities maintenance and management,
- Public place cleaning and municipal waste management services,
- Park and open space maintenance,
- Plant and equipment supply, hire and maintenance.

MWA is not just an association. It's a hub of industry training, development education, and support. We are the most targeted and effective collaborative forum for local government employees in the municipal works sector. Membership in MWA opens doors to a wealth of resources, inspiring opportunities for significant professional growth and a platform to connect with industry leaders and peers.

LOCAL GOVERNMENT CORPORATE MEMBERSHIP

Local Government Corporate membership is ideal for councils committed to providing top-tier training programs for their municipal workers and other staff.
