

CORPORATE MEMBERSHIP

MWA is a not-for-profit member-based association that supports individuals and organisations in municipal works. MWA fosters excellence in providing municipal works and services by delivering professional development, peer support and networking events.

The fields traditionally associated with MWA include:

- Road, footpath and road-related infrastructure construction and maintenance,
- Drainage construction and maintenance,
- Facilities maintenance and management,
- Public place cleaning and municipal waste management services,
- Park and open space maintenance,
- Plant and equipment supply, hire and maintenance.

MWA is not just an association. It's a hub of industry training, development education, and support. We are the most targeted and effective collaborative forum for local government employees and companies that supply products and services in the municipal works sector. Being a part of MWA gives you access to a wealth of resources, opportunities for professional growth, and a platform to connect with industry leaders and peers.

Our diverse membership, which includes local government directors, managers, civil engineers, operations managers, works officers, municipal maintenance officers, representatives from engineering and other consulting firms, plant and equipment manufacturers, construction companies, civil and road infrastructure product suppliers, and various service providers, ensures that all voices are heard and represented. Join us and empower yourself by becoming part of this vibrant and dynamic community.

CORPORATE MEMBERSHIP

The association's membership is open to any company that provides goods or services to the local government industry. Membership provides access to the following benefits:

- MWA's local government network, a platform that allows you to connect with like-minded municipal works professionals within the industry and local government. This network can provide valuable insights, potential partnerships, and business opportunities.
- Networking opportunities at the national, state, and local levels.
- Opportunities to showcase your products and service innovations to our local government community.
- Listings on the MWA's Corporate Member preferred supplier website page.
- Discounted exhibition rates at the annual National Municipal Works & Engineering Conference and Field Day events, including the opportunity to nominate your preferred stand location.
- Exposure to MWA's LinkedIn feed and other marketing platforms.

CORPORATE MEMBERSHIP

OPTIONS

We have three levels of Corporate Membership
– Platinum, Gold, and Bronze, each offering various benefits.

Ideal for smaller companies or those with a specific local focus, this group membership is perfect for businesses interested in networking and marketing opportunities within the municipal works sector.

BRONZE CORPORATE MEMBERSHIP

Ideal for larger companies seeking optimal national exposure and involvement in the municipal works community. This membership provides up to 10 nominated members of your organisation with the same benefits and event access rights as an individual MWA Member. It also offers exclusive priority access for participation and exhibition space discounts within the MWA's national event program, including the opportunity to nominate your preferred stand location.

PLATINUM CORPORATE MEMBERSHIP

Suited for companies with ongoing interests in municipal works, this group membership may interest companies with a national presence and an opportunity for a broader and deeper level of involvement with the municipal works community.
